UNIFORM reminder before Winter 2023 season.

All new uniforms must be ordered through our uniform coordinator.
ksc.uniform@outlook.com

Do you have a uniform that no longer fits and are unsure what to do with it? We have a few options:

1. We gratefully accept donations of old uniforms to use as club loan uniforms.
2. We can offer a discount on a new uniform when ordering and donating at the same time.
3. We can take your old uniform on consignment and sell as second hand on your behalf (subject to uniform being in good condition).

Please avoid passing on old uniform tops to siblings or friends or reselling yourself as team numbers need to be checked and confirmed with other players.

It's Coming!

We are still working behind the scenes to have our new Team Stack App up and running before the new season.

This app will be really useful to our members to communicate, get notifications, keep connected with their team and much more.
