Bayswater North P.S.

Join us for a slice (or two) of pizza,  
meet club members and  
shoot some hoops!

Bring your gold coins to guess  
the jelly beans in the jar!

*All members  
welcome and  
encouraged to

***Hope to see you there!***

We have had a few of our new size 5 Under 8 balls go missing after trainings. If you have mistakenly taken one home, could you please ensure these are returned to the school gym.

## SCORING!!!!

We have many of our committee members that are experienced in the art of scoring and are always available to assist with teaching members how to do this. If you require any help or clarification on anything please do not hesitate to contact one of us. The score entered on the computer is what is confirmed as the game result. When scoring it is a great idea to check in with the opposition scorer regularly throughout the game to confirm both of you have the same score.

## FUNDRAISING BBQ – KNOX BASKETBALL STADIUM

## ! RULE OF THE MONTH !

### **“Player in the act of shooting on a continuous Movement (lay up)”**

A player will be rewarded free throws when the foul is committed during the act of shooting. The act of shooting on a continuous movement begins when the ball has come to rest in the players hand/s upon completion of a dribble or catch in the air, and the player starts, in the judgement of the referee, his/her shooting motion proceeding the release of the ball for a field goal.
